TRANSLATOR NOTES

The Title:

八月十五 (August 15th)

A euphemism for [illegible] HOW you might ask? Long story short, August 15th in Chinese Lunar calendar is Mid-autumn festival aka, The Moon Festival. On that day, the moon is supposed to be the roundest. Now do you get the connection? So the buttocks are like the moon on August 15th; the roundest, whitest, shiniest, the most perfect buttocks.

The Characters:

陆莫秋 Ling Mo Qiu & 陆一剑 Ling Yi Jian

趙小春 Zhao Xiao Chun

The 8th disciple from the Valley of Gods. He is a very skilled doctor. He likes beautiful people. He calls Ling Yi Jian "mustache" as a playful nickname.

東方雲傾 Dong Fang Yun Qing

He is also known as Lord/king Duan. Ranked Seventh. A cold and aloof. But he's very passionate when it comes to Zhao Xiao Chun. Skilled at fencing.

The latter pair is from another novel & sids story Due to different severer injuries, they got shrunk to the size of children to heal their wounds better. So that's why Zhao Xiao Chun said that "yun qin also use to be a beauty" meaning that he was a beautiful man.

TRANSLATOR NOTES

How to address People

It's [illegible] to see a character been addressed with only [illegible] name. But in Manhwa, an older person can also add 小(xiao) meaning small in front of the (most time the last character of the) first name. For example, Yi Jian(一劍) calls Ling Mo Qiu(陸莫秋), Xiao Qiu (小秋). It's most often used by an elder to call on someone younger. It also soft-ens the name so it's also more intimate.

[illegible] be aware that even though sometimes you might see different names on the scans, they are one of the same pers[illegible].

鐵劍門 Tie Jian Men

It is a clan/party. According to the novel, the Tie Jian Clan is a famous, powerful and well-known clan around the country. Both Yi Jian & Mo Qiu are part of the clan.

門主 leader of the clan

On the scans, the servants calls 陸莫秋(Ling Mo Qiu) master because I thought it sounded much better than leader. But I just want to clarify the significance of Ling Mo Qiu's title here as the leader of the whole clan.

師叔祖

The servants calls Ling Yi Jian (陸一劍) this title, which I left it out on the translation because I literally could not find a way to describe it in 1 or even 2 words. His title has the meanings of a teacher, guardian, uncle, and an elder of the clan all together. But since the usage of this title is very trivial to the story, I find it better if I explain it here in the notes.

沒想到回來後竟唉聲嘆氣，原本吃三桶飯變成了一桶！？
弟子們個個看得是皮皮剉，連廚房的大叔大嬸也很擔心。
眼看著很可能一不小心就被拿去煉劍和存糧太多就要浪費，
看來只有犧牲一劍的「八月十五」，才能解除這一次的危機了……

蹦頭一來，莫秋居然把一劍的「八月十五」給弄壞了！？
好在小小神醫趙小春與小雲傾適時出現。

I GREATLY APPRECIATE HIS HELP
CAN YOU TELL ME HOW DID YOU USE THOSE MEDICINES?
THE FIRST WAS THE A BATH MEDICINE I USED IT ON AND OFF FOR OVER HALF A YEAR BUT AFTER UNCLE DISAPPEARED I STOPPED USING THEN THE 2ND DRUG
ALMOST TOOK MY LIFE I SWALLOWED WHATEVER FOOD I CAN AND ACCIDENTALLY I WAS ARLE TO PUSH PASS THROUGH IT
IS THERE AN EMPTY ROOM? I MUST SEE IT!
YES
THE LAST DRUG MO QIU INGESTED WAS HIGHLY POTENT SO IT WAS DIFFICULT FOR THE BODY TO COMPLETELY ABSORB IT. THEREFORE IT WENT OUT OF CONTROL AND IT ENDED UP GROWING THERE
MOTHER OF GOD...
.....
No! wonder... no wonder!

GES-
TURES
.....
For example, let's say that Yun Qing and I are newborns of small cucumbers.
Then Mustache is your average matured cucumber
And Mustache's nephew is a big big big cucumber born from a very fertile farm.
OH MOTHER.....
POOR MUSTACHE.....

UNCLE!
I LEFT THE PRESCRIP-TION WITH YOUR NEPHEW SO TAKE CARE NOW
IT'S GOOD TO SEE YOU UP AND ABOUT I MUST RETURN TO COLD MOUNTAIN TO VISIT HAN
DOES IT STILL HURT?
